

# your time is now

feel your best through cutting-edge core nutrition

**You try to eat right,** exercise regularly and maybe even take a multivitamin. Right now, you might feel pretty good. But why settle for *pretty good* when you can feel *great*? Reliv Now® with LunaRich® is the answer.

Discovering your best health shouldn't require mixing and matching bottles of vitamins. Reliv Now with LunaRich is nutrition made simple. It's part of something we call the *Reliv Difference*:

**Bioavailability.** Dissolving nutrients in a liquid shake enables a quick and optimal absorption.

**Synergism.** The ideal combination of ingredients in a science-based formula brings out the full potential in all nutrients.

**Optimal Nutrition.** Optimizing key nutrient levels beyond minimum daily requirements leads to greater health benefits and an improved quality of life.

**Guaranteed Quality Ingredients.** A company-owned manufacturing facility, the industry's top suppliers and rigorous testing mean what's on the label is in the can — guaranteed.

## Get More

Reliv Now with LunaRich goes beyond a standard multivitamin pill, giving you more of **everything** your body needs.

**Vitamins & Minerals:** contains more vitamins and minerals than leading multivitamin pills, in an easily absorbable liquid form. You get optimal levels of Vitamins B, E and C. In addition, Reliv Now with LunaRich delivers higher levels of essential minerals such as copper, zinc and calcium.

**Antioxidants:** provides antioxidants that protect cell membranes against damage caused by free radicals.

**Protein:** packs a powerful protein punch. Doctors recommend 50 grams of protein daily, but most multivitamins contain none. Reliv Now with Soy gives you 8 grams per serving of the highest-quality, healthy soy protein available.

## LunaRich®: Super Soy

**LunaRich is the most advanced soy product on the market today — and it's only available from Reliv.**

Research shows a naturally occurring peptide called lunasin is responsible for many of soy's remarkable health benefits. Reliv's exclusive LunaRich soy powder delivers more bioactive lunasin — often many times more — than any other soy powder available.

LunaRich is made from non-GMO soybean varieties with the highest concentration of lunasin and manufactured through a proprietary mechanical process (vs. chemical) that maintains the bioactivity of the lunasin, maximizing its proven benefits:

- Cholesterol management
- Inflammation reduction
- Antioxidant benefits
- Improved immunity
- Overall cellular health
- And the list keeps growing...
