

POWER UP YOUR ACTIVE LIFESTYLE

Get Fit

When you want to get fit, Fit3 Active has your back. Fit3 Active's unique formula is designed to promote a healthy weight and lifestyle by keeping you full, boosting energy, fueling your workouts and helping muscle recovery. Getting fit doesn't have to be hard, and the bioavailability of Fit3 Active makes it easy.

Fight Cravings. With just two shakes a day, Fit3 Active adds 20 grams of protein to your diet which in turn curbs unhealthy cravings.

Recover Faster. Cutting edge ingredient CherryPure® Tart Cherry improves your athletic performance and promotes muscle recovery. No one has time to be sore.

Sneak in a superfood. Obtain and maintain a healthy lifestyle with the benefits of LunaRich®, an epigenetic superfood and the tri-protein blend of whey, casein and non-GMO soy.

Feel Fit

There are countless options out there for protein powders, but Fit3 Active is a one of a kind blend that gives you the targeted nutrition and protein that you need to recover from your workouts and feel fit.

LunaRich®: has the potential to reduce biomarkers associated with excess weight and may reduce inflammation associated with oxidative stress.

Tri-Protein Blend: promotes satiety and helps build lean muscle mass.

L-Citrulline: promotes vascular dilation, blood circulation, muscle protein synthesis and an increased production of nitric oxide.

Corn fiber: reduces feelings of hunger and promotes healthy bacterial flora and digestive tract.

CherryPure® Tart Cherry Powder: reduces muscle soreness and inflammatory stress and speeds recovery after exercise.

Beta-alanine (CarnoSyn®): promotes a delayed onset of muscle fatigue and supports muscle endurance.

Stay Fit

LunaRich® soy powder is what sets Fit3 Active apart and it is only available from Reliv®. LunaRich® is made from non-GMO soybean varieties with the highest concentration of lunasin on the market. LunaRich® is proven to maximize cholesterol management, reduce inflammation, improve immunity and overall cellular health and more. Meet your targeted nutrition needs and keep up with your fit, active lifestyle with this one stop product.

For best results, try it in combination with Fit3™ Burn and Fit3™ Purify.
