

The Sandy Montgomery Award

Honoring the legacy of Reliv's Co-Founder

It is with the utmost respect and honor that we pass the torch with our Dr. Theodore Humanitarian Award. This prestigious award is now dedicated to the legacy and spirit of Reliv's Co-Founder and First Lady, Sandy Montgomery.

Designed after her favorite flower, the Bird of Paradise, this beautiful award is expertly hand-crafted and uniquely made. Each one is hand-blown, so no two are alike.
