Welcome to Reliv

Reliv is a wellness company that helps people to lead a happy and fulfilled life. We've led the industry for over 30 years starting with one product, Reliv Classic®. Since then, we have added an exciting choice of products to our range, allowing you to create nutritional shakes for all of the family.

Through our products and business opportunity, we help people to achieve their dream lifestyle based on maintained wellbeing and financial freedom.

Step 1: Start with Core Nutrition

Reliv's delicious shakes provide excellent nutrition for overall wellness. They make a perfect base for your shakes with their balanced array of soy protein, vitamins, minerals and select herbs.

Step 2: Customise with Targeted Solutions

Add any of our Targeted Solutions to your Core Nutrition shake to reach your specific wellness and nutritional goals.

Why Choose Reliv Products?

In today's society, people lead busy and demanding lifestyles. Many of us want to eat healthily but we often make bad food choices due to convenience.

The Reliv products make complex nutrition simple by delivering a balanced blend of vitamins, minerals, proteins and phytonutrients. We have a varied product range meaning you can tailor a Reliv regime to fit your nutritional needs.

Our scientists combine advanced research, leading-edge manufacturing and laboratory technologies, rigorous testing and guaranteed quality ingredients to create the Reliv products.

Believing in Entrepreneurs: Our Founders' Vision

THE IDEA THAT I COULD CREATE MY OWN DESTINY AND GROW PERSONALLY WITHOUT SOMEONE RESTRICTING ME WAS VERY EXCITING. I COULD BE MY OWN BOSS. I DIDN'T NEED TO HAVE SOMEONE TELLING ME WHEN I COULD TAKE TIME OFF OR WHETHER OR NOT I COULD STAY HOME WITH A SICK CHILD. THIS IS WHAT IMPRESSED ME THE MOST ABOUT NETWORK MARKETING AND THE LIFESTYLE IT OFFERED. IT'S THE REASON I COULDN'T STOP TALKING ABOUT IT.

Robert Montgomery, Reliv Founder & Chairman of the Board

Give Back

IN 2016, IN THE NORTH OF HAITI, WE HAD THE CHANCE TO SEE FIRST-HAND THE WORK OF THE RELIV KALOGRIS FOUNDATION. WE WERE WITH AN AMERICAN TEAM INCLUDING RYAN MONTGOMERY AND HIS WIFE TRACY. IT WAS AN OPPORTUNITY FOR US TO LEARN ABOUT HAITI AND THE EXTREME POVERTY THERE. WE WERE WARMLY WELCOMED BY DR MANO WHO VOLUNTARILY OVERSEES THE WORK OF THE FOUNDATION ACROSS THE NORTH OF HAITI. WE VISITED THE ORPHANAGE THAT THE FOUNDATION FUNDED; WE WENT TO SEVERAL SCHOOLS TO HELP DISTRIBUTE FREE NUTRITIONAL PRODUCTS AND WERE ABLE TO TALK WITH BOTH THE CHILDREN AND THEIR TEACHERS (IN FRENCH). ONE OF THE TEACHERS SAID, "IT'S SUCH A SHAME THAT THERE ISN'T RELIV FOR THE TEACHERS!"
