

# your time is now!

feel your best through cutting - edge nutrition

**You try to eat right**, exercise regularly and maybe even take a multivitamin. Right now, you might feel pretty good. But why settle for pretty good when you can feel great? Reliv Now\* is the answer.

Discovering your best health shouldn't require mixing and matching bottles of vitamins. Reliv Nourish is nutrition made simple. It's part of something we call the Reliv Difference:

**Bioavailability.** Dissolving nutrients in a liquid shake enables quick, optimal absorption.

**Synergism.** The ideal combination of ingredients in a science-based formula brings out the full potential in all nutrients.

**Optimal Nutrition.** Optimizing key nutrient levels beyond minimum daily requirements leads to greater health benefits and an improved quality of life.

**Guaranteed Quality Ingredients.** A company-owned manufacturing facility, the industry's top suppliers and rigorous testing mean what's on the label is in the can — guaranteed.

## Get More

Reliv Nourish goes beyond a standard multivitamin pill, giving you more of **everything** your body needs.

**Vitamins & Minerals:** contains more vitamins and minerals than leading multivitamin pills, in an easily absorbable liquid form. You get double the amount of vitamins B and E, and as much as eight times the vitamin C compared to many on the market. In addition, Reliv Nourish delivers higher levels of essential minerals such as copper, zinc and calcium.

**Antioxidants:** provides many antioxidants not found in popular vitamin brands, including patented Pycnogenol® — one of the most cutting-edge ingredients available today. More than 170 studies have demonstrated Pycnogenol's ability to fight free radical damage, improve blood circulation and lower blood glucose, among other benefits.

**Protein:** packs a powerful protein punch. Doctors recommend 50 grams of protein daily, but most multivitamins contain none. Reliv Nourish gives you 7 grams per serving of the highest-quality, healthy soy protein available.

## LunaRich®: Super Soy

**LunaRich is the most advanced soy powder on the market today — and it's only available from Reliv.**

Research shows a naturally occurring component called lunasin is responsible for many of soy's remarkable health benefits. Reliv's exclusive LunaRich soy powder delivers more bioactive lunasin - often many times more - than any other soy powder available.

LunaRich is made from non-GMO soybean varieties with the highest concentration of lunasin and manufactured through a proprietary mechanical process (vs. chemical) that maintains the bioactivity of the lunasin, maximizing its proven benefits.
