DEFINITIONS

MA = Master Affiliate, **SD** = Senior Director,
MD = Master Director, **PD** = Presidential Director.

Monthly Earnings = Retail Profits + Wholesale Profit + Overrides paid by Reliv.

Monthly Qualification Level – Rank Level used when calculating your Monthly Bonus.

Advancement Bonus is a one-time bonus per Distributorship for those Distributors who Rank Advance to new level or return to Title Rank for two consecutive months. For example, title rank PD with SD earnings does not receive the Advancement bonus for reaching MD. Only when they return to PD.

New PGPV is defined as new PGPV coming from new registered Customers & Distributors. Distributors from current personal group achieving MA do count. Personal purchases/volume does not count.

1/2 % of Worldwide Sales – Your share is based on 5 Level organizational PGPV as a percentage of Worldwide Sales. The higher your % Level PGBV, the higher your portion of the Bonus.

100% Required Maintenance equals 100% of the 2,000 PGPV required monthly maintenance for earnings. Or, IF eligible the 100% of 1000 PGPV reduced maintenance benefit, PVQ and Group Volume Requirements. Reduced maintenance criteria includes 10 front-line MA's or promoting a new MA qualifies for reduced maintenance the following month.

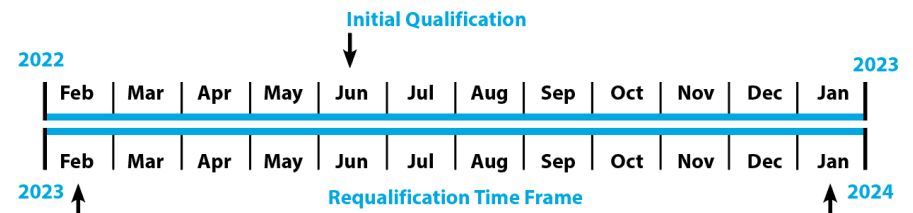

Monthly Bonus – If your Monthly Earnings fall below your Monthly Qualification Level, your monthly Bonus reverts to earnings level. For example, a PD Title Level with Monthly Earnings at \$6,000 Monthly Earnings will be eligible for MD Level Bonus and would not earn the PD level Bonus.

First Level – is defined as front line MA level that is either personally sponsored or compressed up to First Level permanently. Monthly compression due to First Level missing maintenance, PVQ, Group Volume DOES NOT count.

Titles – once a OneReliv Rank Level has been achieved, the Title will not be taken away unless Distributor fails to requalify for Master Affiliate.

Title and Monthly Bonus Opportunity begins the following month after new Rank Qualification is earned.

12 Month Requalification period is 12-month February through January. I.e., February 1, 2022, through January 31, 2023, to qualify for February 2023 – January 2024. This is the same as the Master Affiliate requalification.
