

91022 **Reliv Classic®**

Purpose: Essential Nutrition Supplement

Servings: 30

Directions: Mix one serving with 8 ounces of the beverage of your choice.

It has... (Features)	Which means... (Benefits)
An optimal blend of vitamins, minerals, amino acids and herbs (that contains no saturated fats, trans fats or artificial preservatives)...	...you receive the most effective possible nutrient levels for better health and a better quality of life.
Bioavailability...	...your body needs to be able to absorb nutrients, which is why Reliv uses only high-quality nutrients that are available for rapid absorption when dissolved in a Reliv shake. Plus, you're getting a higher percentage of the nutrients available for absorption in every Reliv shake.
Synergism...	...nutrients work together in an ideal blend that allows each to provide its full range of benefits.
Guaranteed quality ingredients...	...Sourced from the industry's top suppliers and an uncompromising quality control program ensure product purity and potency — guaranteed.
7 grams of non-GMO soy protein in each serving...	...you get the heart-healthy benefits of soy delivered the way nature intended.
