# making a difference

Who will you share the gift of good health with today?

Distributor rewards for Reliv Asia Pacific

Dr. Ted Plaque

Distributors who promote 4 frontline Master Affiliates in the same calendar month will be rewarded with the Dr. Ted Plaque. The first time a Distributor achieves 4 frontline Master Affiliates, they will receive a commemorative plaque, featuring a brass plate engraved with their name, month and year of first achievement.

For the second and subsequent achievements (up through 10) the qualifier will receive an engraved brass plate to add to the Dr. Ted commemorative plaque.

NEW as of 1 October 2017: For every Dr. Theodore Kalogris Plaque earned, Reliv will make a donation to the Reliv Kalogris Foundation in honor of the Distributor recipient. The donation* will provide nutrition to 16 kids for one month. *All donations made "in honor" of a Distributor are acknowledged alongside our top donors at Reliv Headquarters.*

Sandy Montgomery Award

The Sandy Montgomery Award will honour her mission to "Nourish Our World" in Body, Mind and Spirit. Just like Sandy, this award is special. It's one of a kind. And it's an honour to achieve it. Designed after her favourite flower, the Bird of Paradise, this beautiful award is expertly hand-crafted and uniquely made. Each one is hand-blown, so no two are alike.

This award is proudly presented to Reliv Asia Pacific Distributors who grow Sandy's legacy by promoting 6 Master Affiliates and achieving 2,500 PGPV or more in a calendar month. When you achieve a Sandy Montgomery Award, you're helping to grow her legacy to share Reliv and make a difference for others, just as Sandy so passionately did.

NEW as of 1 October 2017: For every Sandy Montgomery Award earned, Reliv will make a donation to the Reliv Kalogris Foundation in honor of the Distributor recipient. The donation* will provide nutrition to 30 kids for a month. *All donations made "in honor" of a Distributor are acknowledged alongside our top donors at Reliv Headquarters.*
