

THE RELIV KALOGRIS FOUNDATION

Please join us in our mission to Nourish our World!

Reliv International established the Kalogris Foundation in 1995 as a non-profit, 501(c)(3) charitable organization, named in honor of the late Dr. Theodore Kalogris who created the original nutritional formula that is Reliv Classic®.

- We provide nutrition to **over 25,000** people around the world, including the **US** and **Canada**.
- Most of our nutrition programs are located in schools, churches, and clinics run by **700** dedicated volunteers.
- The Foundation currently distributes **3.2 million** shakes to RKF participants per year.
- Each year, more than **95%** of donations go directly to support program services - well above the 75% criteria established by the *American Institute of Philanthropy*.
