

Mix one serving
with 6-8 ounces of beverage
of your choice.

CARDIOSENTIALS®

Product Highlights

Clinically shown to improve cholesterol, triglycerides and blood glucose levels.

- Patented formula, clinically shown to improve cholesterol, triglycerides and blood glucose levels
- Phytosterols reduce absorption of dietary cholesterol for healthy lipid levels
- Proprietary blend of berry and plant extracts promote efficient circulation and arterial function
- Antioxidants CoQ10 and resveratrol protect against damaging free radicals
- Cherry Berry Flavor

Patented, clinically-tested and delicious. . . CardioSentials is my complete heart health solution. I love the berry flavor! I mix it with my Reliv core nutrition in the morning and I am ready to go.

— Lajan B.

WHAT TO SAY

”

If you're looking for an easy way to take care of your heart health, look no further than CardioSentials! This revolutionary product has been clinically shown to significantly reduce total cholesterol, LDL (bad) cholesterol and triglycerides, increase HDL (good) cholesterol and lower blood glucose levels for participants in a clinical trial.

- Proven effective
- Patented formula for total heart health
- Includes CoQ10, an important heart-protective antioxidant produced naturally in the body
- Includes VitaBerry®, a patented blend of berry extracts with powerful antioxidant capabilities
