Mix 1 packet + 10 ounces of water

30 stick packs

INNERGIZE!® GO

Product Highlights

Sustained Energy* + Cellular Hydration* + Fat Burner*

- Healthy, even, sustained energy boost so you can not only get through the day, but get more from your day*
- Feel good about feeling good with quality ingredients, no artificial sweeteners, and zero calories
- Convenient, travel-friendly packets that fit in your purse, gym bag, or pocket to give you a boost wherever your day takes you
- Hydration component combined with the unique fat-burning benefit means you pack a punch every time you drink Innergize!® Go*

I breezed through my typical mid-day lull and even felt that little extra energy boost later to conquer all the family activities on our packed schedule.

— Kristen A.

WHAT TO SAY

Try our new healthy energy drink that gives you a boost without the crash or harsh side effects of many typical energy drinks. It also provides hydration and supports weight management thanks to the benefits of MitoBurn®. Convenient, travel-friendly packets fit in your purse, gym bag, or pocket — just rip, sip, and go be amazing!

- Two sources of caffeine: green coffee beans for a quick energy response and dicaffeine malate for an extended, sustained source of energy
- L-theanine is an amino acid that binds with dicaffeine malate to slow absorption and ensure smoother energy with no crash or jitters
- The unique combination of cellular hydration and energy combats the diuretic effect of caffeine and restores balance to your body
- MitoBurn® helps you burn more calories and supports weight management
- Vitamin B12 is a vital nutrient that supports red blood cell production and energy
