### Product Highlights

Essential vitamins, minerals and micronutrients help growing bodies thrive.

- Ideal for children ages 2-12
  - Supports kids' immune system, growth and brain development
- Optimal daily nutrition fills nutrient gaps, including 5 grams of plant-based protein
- Features DHA, an omega 3 fatty acid to support brain development and mental performance and enhanced with LunaRich®
- **Now For Kids 1**, a lower sugar formula, is a great way to start the day — just scoop, shake & share. Kids love the yummy vanilla flavor.
- **Now For Kids** contains a blend of carbohydrates to fuel active bodies and brains. Try it before or after high energy activities. Available in kid-approved vanilla and chocolate flavors.

*I love Now for Kids! It helps me stay healthy and strong for cheerleading!*

— Sofia, age 6

## WHAT TO SAY

”

*This is nutrition you can feel good about! With all of the Now for Kids formulas, there's no more worry or mom guilt! Feel confident you are keeping your child healthy while supporting their growth AND energy needs. Kids can start their day with Now® for Kids 1 and fuel up with Now® for Kids before or after their high-energy activities. Both shakes provide essential vitamins and minerals they need like antioxidants, Vitamin C, omega 3, and Vitamin D.*

- **Save \$8 with the Kids' Core Nutrition Pack!** This daily core nutrition duo is uniquely designed for your kid's activity level.  
**Includes:** 1 can of vanilla Now for Kids 1 and 1 can of Now for Kids — choose vanilla or chocolate
- **Give Back:** With your purchase of any can of Now for Kids, a portion of the sale will go to the Reliv Kalogris Foundation and nourish a child in need for one week.
